

# Kacie L Dragan, PhD, MPH

Kacie\_Dragan@g.harvard.edu | Kacie.L.Dragan@dartmouth.edu

[www.kaciedragan.com](http://www.kaciedragan.com) | [Google Scholar](#)

## ACADEMIC POSITIONS

---

### The Dartmouth Institute for Health Policy and Clinical Practice, Dartmouth College

Provost's Post-Doctoral Research Fellow (PROF Fellow)

Lebanon, NH

Jul 2024-present

## EDUCATION

---

### Harvard University

Ph.D. in Health Policy (concentration in Methods for Policy Research)

Radcliffe Institute Graduate Fellow, 2023-2024

Dissertation: *Place, Policy, and Health: Essays on the Intersection of Health Policy and Social Policy*

Committee: David Cutler (chair), Jessica Cohen, Sherry Glied, Tim Layton

Cambridge, MA

May 2024

### Columbia University Mailman School of Public Health

Master of Public Health

Sociomedical Sciences Department (concentration in Public Health Research Methods)

New York, NY

May 2016

### Barnard College of Columbia University

Bachelor of Arts with Honors, Sociology | Human Rights

Phi Beta Kappa, *summa cum laude*

New York, NY

May 2014

## RESEARCH INTERESTS AND EXPERTISE

---

Safety net policies; quasi-experimental research; social determinants of health; health economics; social epidemiology; Medicaid; child health; urban health; housing policy; "Health in All Policies"; administrative data

## PEER-REVIEWED PUBLICATIONS

---

2. “Using Medicaid Data for Housing Research: Health Shocks and Housing Instability Among Urban Medicaid Enrollees,” September 18, 2023. University of Pittsburgh’s Health Policy Institute, Medicaid Research Center Seminar Series. Pittsburgh, PA.
3. “How Social Policies Shape Health: Methods, History, and Emerging Evidence,” April 17, 2023. NYU’s undergraduate program in public policy, Topics in Health Policy: Policy, Politics, and Power. New York, NY.
4. “Health in All Policies: The Health Impacts of Non-Health Policies,” April 18, 2022. NYU’s undergraduate program in public policy, Topics in Health Policy: Policy, Politics, and Power. New York, NY.
5. “Gentrification and Children’s Health,” November 7, 2019. Culture of Health: Housing and Health, Health Affairs Event. Washington, DC.
6. “How the Health Care System Is Organized,” June 6, 2019. NYU Wagner Master of Health Administration Program, Current Issues in Health Policy course. New York, NY.
7. “RWJF Healthy Communities Session on Public Housing Interventions,” April 16, 2019. Robert Wood Johnson Foundation’s “Foundation Forum” series. Princeton, NJ.
8. “Large-scale Community Needs Assessments,” February 21, 2019. Columbia University Mailman School of Public Health Master of Public Health Program, Health Promotion: Theory, Research, and Practice course. New York, NY.
9. “Using Medicaid Data to Study the Effects of Public Policy,” November 11, 2018. Columbia University Medical Center, Pediatric Fellows Research Seminar. New York, NY.
10. “Using Big Data for Policy Research,” April 18, 2018. NYU Master of Public Administration Program, Current Issues in Health Policy course. New York, NY.

## CONFERENCE PRESENTATIONS (PEER-REVIEWED)

---

### Oral presentations:

1. *Health Shocks and Housing Instability among Urban Medicaid Enrollees*. Academy Health Annual Research Meeting; 2023 Jun 25. Seattle, WA.
2. *Universal Pre-K, Maternal Health, and Fertility*. Association for Public Policy Analysis and Management

Research Conference; 2020 Nov 11. Virtual due to Covid-19.

3. *Insurance Mix and Coding Practices in New York State Hospitals*. Academy Health National Health Policy Conference; 2020 Feb 11; Washington, DC.
4. *Subsidized Housing Renovation and Health*. Interdisciplinary Association for Population Health Science Conference; 2018 Oct 4; Washington, DC.
5. *Big Data for Housing and Health: Leveraging Administrative Data to Produce Evidence for Upstream Policy Sectors*. Academy Health National Health Policy Conference; 2018 Feb 6; Washington, DC.
6. *Evidence from NYU's Policies for Action Hub: Universal Pre-K & Neighborhood Economic Change*. Academy Health Annual Research Meeting; 2017 Jun 26; New Orleans, LA.
7. *Cross-Sector Collaboration in Research: Implications for Study Design and Approach*. RWJF Sharing Knowledge to Build a Culture of Health Conference; 2017 Feb 24; Louisville, KY.

### Poster presentations:

8. *Do High Administrative Costs Generate High Prices or Do High Prices Generate High Administrative Costs?: Insurance Mix and Coding Practices in New York State Hospitals*. Academy Health Annual Research Meeting; 2020 Jul 28.
9. *Gentrification and Children's Wellbeing: Residential Mobility, Neighborhood Quality, and Health*. Academy Health Annual Research Meeting; 2018 Jun 24; Seattle, WA.
10. *Leveraging Neighborhood Data for Health Equity*. NYC Epidemiology Forum; 2016 Feb 26; New York, NY.

## TEACHING FELLOWSHIPS & ASSISTANTSHIPS

---

- Why is There No Cure for Health? (GenEd 1079), Harvard University *Fall 2022*  
Faculty: Dr. David Cutler  
Class size and content: 11 undergraduates; principles of epidemiology, health economics, and health policy  
**Course teaching evaluation: 4.7/5**
- Doctoral Core Course in Health Policy, Harvard University *Fall 2021 & Spring 2022*  
Faculty: Dr. Meredith Rosenthal  
Class size and content: 12 first-year doctoral students; fundamentals of health policy research and theory, including economics, political analysis, ethics, research design, and decision science  
**Course teaching evaluation: 4.7/5**
- Economics of Health Care: Public vs. Market Resolutions, Harvard University *Spring 2021*  
Faculty: Dr. Tim Layton  
Class size and content: 25 public health graduate students; fundamentals of health economics, focused on publicly-financed U.S. insurance programs  
**Course teaching evaluation: 4.9/5**
- Quantitative Data Analysis: Service-Based Research II, Columbia University *Spring 2016*  
Faculty: Dr. Debra Kalmuss and Dr. Samantha Garbers  
Class size and content: 35 public health graduate students; data cleaning & statistical analysis using various software
- Social Psychology and Personality Psychology labs, Barnard College *Spring 2012 & Fall 2012*  
Faculty: Dr. Joshua Davis  
Class size and content: 25 undergraduates per semester; experimental design & statistical interpretation

## SELECTED PROFESSIONAL RESEARCH EXPERIENCE

---

### **Harvard University – Department of Health Care Policy (PI: Tim Layton)**

Cambridge, MA

*Research Assistant*

*May 2020-present*

- Project examining geographic variation among Medicaid enrollees using a “movers” design to assess potential geographic drivers of differences in access and outcomes within cities and states

### **Harvard University – Joint Center for Housing Studies (PIs: Jennifer Molinsky, Chris Herbert)**

Cambridge, MA

*Research Assistant*

*Nov. 2020-Aug. 2021*

- Project examining changes to prescription drug spending following mortgage payoff among older adults

### **NYU Wagner School of Public Service (PIs: Sherry Glied, John Billings, and James Knickman)**

New York, NY

*Consultant*

*Oct. 2020-present*

*Lead Analyst (Associate Research Scientist)*

*Apr. 2017-Aug. 2019*

*Assistant Research Scientist*

*May 2016-Apr. 2017*

- Served as primary analyst for a RWJF Policies for Action research hub using a New York State Medicaid claims database of over 13M enrollees to evaluate the health impacts of non-health policies and interventions

### **NYC Dept. of Health & Mental Hygiene – Bureau of Epidemiology Services**

New York, NY

*Graduate Researcher – Community Epidemiology*

*Jan. 2015-Apr. 2016*

- Co-author of the 2015 Community Health Profiles and Atlas

## LEADERSHIP & SERVICE

---

### *Journal Referee*

American Journal of Epidemiology (2022)

American Journal of Public Health (2019-24)

BMC Public Health (2024)

Environmental Research (2023)

Health Affairs (2021-23)

Health & Place (2021)

Housing Policy Debate (2023)

Journal of Hospital Medicine (2024)

Journal of Housing and the Built Environment (2019-20)

Social Psychiatry and Psychiatric Epidemiology (2023-24)

Social Science and Medicine (2020-23)

Social Science and Medicine – Population Health (2021-23)

### **Harvard Medical School, Essentials of the Profession course (Health Policy Unit)**

Boston, MA

Substitute Small Group Discussion Leader & Grader

*2020-2023*

### **Harvard University Ph.D. Program in Health Policy**

Cambridge, MA

Co-coordinator of the Health Policy Peer Mentoring program

*2020-2021*

Co-founder of the “How to PhD” seminar series for first-year PhD students

*2021-2023*

Co-representative, Graduate Student Mental Health Survey Working Group

*2023*

MA Covid Vaccination Help and MA Academic Public Health Volunteer Corps  
Volunteer

Cambridge, MA  
2020-2021

Barnard College Alumnae Association  
Alumna mentor and admissions interviewer/liaison

New York, NY  
2015-2020

Barnard College Residential Life  
Resident Assistant (RA) and Senior Experience staff member

New York, NY  
2012-2014

## **SKILLS & LANGUAGES**

---

French (writing & reading: proficient; speaking: conversational), Spanish (elementary)  
Software/programming: SAS, Stata, R, SQL, ArcGIS
